\*Subject to Change\*

Applicants must be a graduate of a state or provincial approved associate's degree or diploma nursing program with a cumulative grade point average of 2.5 in all nursing support and English courses. (Nursing support courses include: chemistry, anatomy and physiology, microbiology, statistics, nutrition, pharmacology, pathophysiology, psychology, and sociology) The B.S. Nursing Completion Degree may be obtained on the N.C.M.C. campus. Once the student starts the LSSU nursing sequence of courses they must complete within six semesters (including two summer semesters) thereby completing within two calendar years.
